Dear Ms. O'Donnell:

We are writing this letter in response to the Filing Deficiencies letter of the Commission dated October 18, 2005. Our response to the deficiencies is as follows:

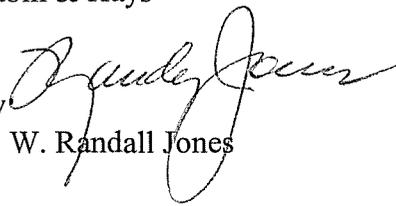

1. 807 KAR 5:001: Section 11(1)(c) - statement of how proceeds are to be used: See the Sources and Uses statement attached hereto. The loan proceeds will be used to finance the costs of issuance of the debt and the acquisition of a backhoe (\$70,000); an air compressor (\$8,000); a road bore machine (\$15,000); and an air mole (\$7,000).
2. 807 KAR 5:001: Section 11(2)(c) - detailed estimates of property to be acquired by USOA account number: Account #345 (power operated equipment - \$70,000); Account #347 (miscellaneous equipment \$30,000).

Thank you for your assistance and if you need any additional information or documentation, please let us know.

Sincerely,
